

THAT IS THE QUESTION

Thermosleeve-USA can provide you with a wide selection of products that expand beyond the heat shrink category. We not only offer single wall, medium wall, dual wall heat shrink tubing but have broadened our offering to include expandable sleeving, cable wraps and insulation sleeving and tubing in our non-heat category.

As always, Thermosleeve USA products are safe and reliable high-quality products that are manufactured under strict quality controls (some meet or exceed UL/224/MIL) and are certified under the following agencies: F-Mark, CSA, TUV, VDE, UL/C.
