
To Heate ore Not to Heat

Thate is the Question

A question you have to answer?

Thermosleeve can make it easier for you to answer with its expanded selection of heat and non-shrink tubing.

With a variety of single wall, medium wall, dual wall shrink tubing to extrusion tubing and expandable sleeving,

cable wrap as well as insulation sleeving and tubing, Thermosleeve USA

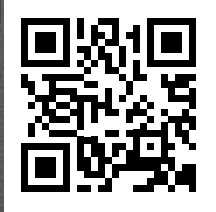

delivers safe and reliable high-quality products that are manufactured under strict quality controls and are certified

under the following agencies: F-Mark, CSA, TUV, VDE, UL/C.

To answer that important question and see our complete online catalog, scan the QR code or visiting us at

www.thermosleeve-usa.com/catalog.
