

Need A Shrink Specialist?

EXPAND YOUR OPTIONS WITH THERMOSLEEVE USA

At Thermosleeve USA, our goal is to make your job easier. With one of the widest selections of both heat shrink and non-heat shrink tubing products, Thermosleeve-USA should be your first choice when you need a shrink specialist.

Thermosleeve USA products are manufactured under strict TS16949 Quality System and ISO14001/IS9001 Environment System certifications and are produced to meet or exceed UL/224/MIL approval requirements. Thermosleeve USA products are also certified under the following agencies, U/L, TUV,

VDE, C-UL, F-Mark and the factory is a registered "Green Partner" with Sony and Samsung Electronics.

If you're manufacturing wire harnesses, rest assured Thermosleeve USA probably offers a tubing to meet your requirements. Our products are certified under the following standards: ROHS, AMS-DTL-23053/4/5, SAE-AS81531, MIL-STD-202. Whether your primary focus is automotive, communications, construction, electrical, electronic, energy... Thermosleeve USA has got you covered.
