TERMS OF SALE

• **Thermosleeve-USA** requires a \$25.00 minimum order. The minimum order amount is subject to change without notice. The minimum order amount shall be that which is in effect at the time of shipment.

• **COD** is the quickest and most convenient method preferred by the majority of our customers. Payment method can be: Cash, Certified Check or Company Check (Personal Checks are not accepted). COD Company Check terms are granted at the discretion of Thermosleeve-USA upon receipt of acceptable bank information and a favorable bank account rating.

• **Credit Card** orders are accepted with valid American Express, Master Charge, Discover or Visa cards. Exact freight charges will be added to card orders.

• **Open Account Orders** are available to qualified companies. Normal terms offered are NET 30 DAYS from date of invoice, with full credit application approval. Normal terms are not subject to change unless otherwise agreed, and or modified in writing and accepted by Thermosleeve-USA.

• **Thermosleeve-USA** reserves the right, at any time, to revoke any credit card terms extended to customer if customer fails to pay any invoice when due, or, if Thermosleeve-USA's opinion there is a material change in customer's financial condition. Thermosleeve-USA may, at its option, cancel any accepted order if customer fails to meet any invoice when due.

Any company checks returned to Thermosleeve-USA "NOT SUFFICIENT FUNDS" (N.S.F.) can possibly jeopardize any customer's net 30 terms, or COD company check terms. At Thermosleeve-USA's discretion any customer having an N.S.F. check returned could have terms reverted to COD CASH for a period of six (6) months. A \$20 service charge will be assessed on all returned checks.
